Visit Our Home Page [www.homemetalshopclub.org](http://www.homemetalshopclub.org)

**Statement of Purpose:** *Membership is open to all those interested in machining metal and tinkering with machines. The club provides a forum for the exchanging of ideas and information. This includes, to a large degree, education in the art of machine tools and practices. Our web site endeavors to bring into the public domain written information that the hobbyist can understand and use. This makes an organization such as this even more important. -- Founder - John Korman (deceased)*

### Next Meeting February 11, 2006

Oils for lubrication and cutting.

### Minutes of the January 14, 2006 Meeting

by Dennis Cranston

#### Business Meeting

The business meeting was held at Lyndons BBQ. In old business, the prospect of the HMSC assisting in the FIRST robot contests was discussed. The idea

was tabled. No new business was brought up and further research is going to be done. The Treasurer reported a balance of \$2,184.32.

#### General Meeting

The president, Doug Charter, opened the meeting. Several visitors were introduced.

member's shop should be a regular feature at future club meetings.

Vance Burns showed a video on a machining topic.

Rich Pichler showed a video of his shop. This shop is located in his garage and has storage arranged around the sides with a lathe and additional equipment arranged in an island arrangement. This video visit to a

A model steam engine was operated for show & tell.

Joe Williams brought a sample of his long reach welding gun that he manufactures.

Doug Chartier showed a number of Tapmatics that he purchased used in good condition for a reasonable price on Ebay.
